Impact Youth Ministry

God's Word Brings....

The commandments of the LORD are right, bringing joy to the heart. The commands of the LORD are clear, giving insight for living. – Psalm 19:8 (NLT)

I remember a time my mom made me a huge birthday cake. It was the size of the entire kitchen table. The cake was made of sheet cakes, cupcakes, and round cakes. I walked into the house and was so excited to see this massive cake waiting for me. There was such joy as I got such a neat surprise for my birthday. God wants us to feel that way about reading His word. God's word isn't rules and boring outdated things. God's word is right and when we really get into it and see how much it helps us with life, it brings us joy.

This Month's Truth: God's Word Will Bring You... Joy

So determine today to get into God's word. If you don't like to read, listen to the Bible. But get into it. God's word will bring you joy like no friendship, popularity, or any other thing in the world will.

Spend time reading your Bible and get to know the perfect, unchanging word of God that will bring you joy, peace and knowledge like you've never known!

From the desk of the Pastor...

March is here!

We have had a great start to 2021! The worship services have been powerful and the music from the Praise Band has been awesome! Last week the Flower Service was so powerful and special! We are adding new people every week for services and small group Bible Studies!

This month we will hear from John Mark Hunt and enjoy the leadership of our Young Adults on March 7th! They will lead the entire worship experience!

We will finally have our time change and “Spring Forward” with warmer temps and more sunshine! Longer days and more opportunities to enjoy the outdoor season!

VBS training is coming up too! Rachel Bailey will lead us with her volunteer team to make this year’s VBS a great event!

The last Sunday of the month brings us the “Palm Sunday” message about Jesus who is triumphant and our victorious Savior!

Romans 15:13 NIV
