JESUS HEALED TEN LEPERS

SCRIPTURE: Luke 17:11-19

WEEKLY VERSE: Give thanks in everything. *1 Thessalonians 5:18*

LIFE POINT: People can thank Jesus.

Jesus went everywhere telling people about God and helping them. One day Jesus was walking to Jerusalem. Along the way, Jesus met ten men who had a skin disease. The sick men had to leave their families and move outside of town. If they got too close to other people, those people would get sick, too.

When the ten men saw Jesus, they shouted, "Jesus! Please help us!" Jesus saw the sores on the men's hands and feet. Jesus loved these men and wanted to help them. He told the men to go into town and show themselves to the church leaders.

The ten men started walking down the road. Suddenly, the sores on their bodies were gone! Jesus had made the ten sick men well!

When one man saw that he was well, he came back to Jesus. The man knelt at Jesus' feet and thanked Him.

Jesus knew that He had made ten men well. He was glad this one man had stopped to thank Him.
