

Dear Frontline Family,

Your acts of service and generosity enable Frontline to expand its reach to share the gospel of Jesus in the greater Kaiserslautern area, Europe, and throughout the world. Our ministry depends entirely on the provision of God through the faithful stewardship of our people. We are incredibly thankful for your support.

Frontline has continued to advance the gospel of Jesus despite the ongoing global pandemic. Your generosity is changing lives, restoring marriages, breaking addictions, and making lifelong followers of Christ. Presently, we are praying and making plans for our future that will better position us to reach our community with the life-giving message of Jesus.

In the graph below, you can see that we started the year off well, but have since trailed off in giving. COVID restrictions limiting our attendance on Sunday mornings hit us particularly hard this year, as well as the PCS season (see giving from July onward). Our staff and volunteers have done an excellent job doing more with less, which has allowed us to stave off dipping into our reserves. However, this puts us in a holding pattern with moving forward on a few initiatives moving into 2021.

Looking ahead to 2021 we have an opportunity to lease the entire building across the street from our worship center (Metzgerei Scheidt). We would consolidate our office space to the upstairs portion of the building and have the ability to open a coffee shop in the bottom section. The coffee shop portion would be open on Sundays to serve coffee and receive first-time visitors to Frontline. Further, we are working out details on what it would look like for us to operate a coffee shop during the week. Wouldn't it be great to grab a cup of coffee on your way to work, or have a meeting/remote worksite that also supported the church and its ministries?

We do not talk often about our finances but we felt it necessary for you to understand where the church is financially and what we are planning for our future. Since Frontline's inception, our purpose to introduce Jesus and grow people in Him has been our aim. This purpose continues with us today and will remain long after all of us are gone. Thank you for partnering with us in building His kingdom.

If you have not, would you consider partnering with us to see the life-changing gospel of Jesus continue to go forward? You can do so through online giving through our website frontlinecommunity.org; click on the "Giving" tab, and sign-up for one of the multiple options we have for automatic giving.

We love being part of what God is doing here.

-Frontline Finance Team
