Transitions Life Group is made up of adults, ages 40's to 80's. Member teachers provide valuable perspectives and application of God's word, with stimulating discussion, learning from one another and the scriptures.

"Walk Thru the Bible" RM #237

Teachers: Keith & Jeanetta Chrystie

A measured, in-depth study of scripture, alternating between the Old and New Testaments, including in-depth, semi-chronological harmony among the four Gospels, inserting seasonal and topical studies as appropriate. Group discussions add information, explore questions and related scriptures, and seek to apply scriptural principles in our everyday lives.

University Heights has a place for you—whether you're a student, a young parent, managing the challenges of mid-life or empty-nesting, or happily retired — to learn more about your faith, about yourself, and to develop meaningful, supportive relationships.

UHBC has child care for infants, simple, age-appropriate bible stories for toddlers and pre-schoolers, and Sunday School for K-5 that will introduce them to more thoughtful and challenging study of the life of Jesus.

Our youth group, Grades 6-12, fosters relationships and deeper understanding of the role of faith in our lives.

“The Table,” a group for post-high school young adults provides opportunities for meaningful discussion of the challenges of incorporating faith into our everyday lives.

Several Sunday morning Life Groups foster lifelong friendships built on shared faith, as well as in-depth bible study and discussion.

UHBC also hosts a Monday evening bible study on the MSU campus at 6pm in the PSU.

Wednesday night adult Bible studies dig in to deeper questions while fostering fellowship and encouragement.

Whatever you're looking for, there's a place here for you!
