What is Leadership Development Day?

This year, all district pastors and lay leaders are invited to a day dedicated to the heartbeat of the Church: making Christlike disciples. We welcome Mark Bane for a deep dive into Disciple-Making the Jesus Way, and how to move us from simply attending church to actively making disciples.

Throughout the day, we will:

- ◆ Unpack the specific activities and rhythms that made Jesus history's most effective disciple-maker.
- ◆ Adapt those ancient practices into modern, personal habits for your everyday life.
- ◆ Equip your local church with the "Above and Beyond" mindset needed for neighbourhood-changing evangelism.

Meet Mark Bane.

Meet our Leadership Development Day Guest Speaker! We are thrilled to welcome Mark Bane to the Canada West District Reunion! As the USA/Canada Director of Evangelism and New Church Development, Mark is a powerhouse in helping churches move Above and Beyond to reach their communities. Why you don't want to miss this: Proven Experience: He's a former DS and pastor who planted 8 churches while leading existing ones. Practical Wisdom: Author of Reimagining the Great Commission. Local Impact: He's here to equip YOU to be a change agent in your own neighbourhood.
