

To help you and your faith communities, guidance was created specifically by the provincial government for places of worship. You can find this information at [open.alberta.ca/publications/covid-19-information-guidance-for-places-of-worship](https://open.alberta.ca/publications/covid-19-information-guidance-for-places-of-worship). This guidance is currently being updated with information on safely resuming nurseries and children's programming as well as the updated singing guidance.

Another good resource is the General Relaunch Guidance at [alberta.ca/assets/documents/covid-19-general-relaunch-guidance.pdf](https://alberta.ca/assets/documents/covid-19-general-relaunch-guidance.pdf). This document contains important information including cleaning and disinfection guidance and infection prevention and control measures to keep your worshippers safe.
