March 22	K4
March 23	4th Grade

Spring Auction

Our Fall Festival was postponed due to COVID. We are dependent on our fundraisers so we plan to have a Spring Auction on April 23rd from 6:00 - 9:00 pm. It will look different from past Fall Festivals. We will have a live auction beginning at 6:30 p.m. and a silent auction. The silent auction will be from 6:00 - 8:00 p.m. We will not have games or tables for classes. There will be one food item outside the gym. There will be no representatives and no crowning ceremony this year. The class in each division that raises the most money will still win a free field trip. COVID guidelines will be followed and each person will have their temperature checked at the door. Please support MCCA!
