

HGUMC Announcements

SAFE AND SOUND IN GOD'S SANCTUARY ~ One of the great strengths of our connectional system is the amazing people who serve as resources for our mission and ministry. And, among the many resources our United Methodist Church is a shared commitment of our Child Protection Policies, or, Safe Sanctuaries. While we have always done a fine job with this, we have the blessing of many new folks in our church, and many who want to help with our youth and children's ministries! With that in mind, we will be having a Safe Sanctuaries Training session on **Sunday, June 28th at 5:30 PM. (tentatively in the Fellowship Hall)**. Rev Amanda Rochelle will lead us through the policies and procedures to make sure we are current and compliant on our Safe Sanctuaries policies and procedures. **It is imperative that each and every adult who hopes to work with youth and/or children's ministries have Safe Sanctuary training and background checks** (don't worry, if you can't make it, there is a way to complete an online version). This event will be a great way to meet our requirements, and to learn about our commitment to keeping everyone safe and cared for! Thank you so much your willingness to be part of our amazing team to lead our cherished resources--our youth and children!
