

Christ Our King Thanks the Community for its Generous Support

Thank you to everyone who helped Christ Our King Presbyterian Church in Bel Air fill 1000 boxes of food for Thanksgiving 2024. As a result, 400 families in Harford County received a frozen turkey and food for Thanksgiving dinner, plus food for additional meals. With the help of Knox Presbyterian Church and Grace Presbyterian Church, food was also distributed to an additional 400 families in Baltimore City.

The 1000 turkeys and boxes of non-perishable food supplied by Christ Our King Presbyterian Church were made possible by the generosity of church members, individuals, and many local business and organization. We wish to thank the following for their in-kind and financial donations:
