

Christ Our King Thanks the Community for its Generous Support

Last November, at Christ Our King Presbyterian Church in Bel Air filled 800 boxes of food for Thanksgiving. As a result, 300 families in Harford County received a frozen turkey and food for Thanksgiving dinner, plus food for additional meals. Through a joint effort with Knox Presbyterian Church and Grace Presbyterian Church, food was also distributed to an additional 500 families in Baltimore City.

The 800 turkeys and boxes of non-perishable food supplied by Christ Our King Presbyterian Church were made possible by the generosity of church members, friends, and many local businesses and organizations. We wish to thank the following members of the Harford County and Baltimore area business community for their in-kind and financial donations:
