

Christ Our King offers its thanks to those helping fill Thanksgiving Boxes, January 18, 2019

Reprinted from The Aegis

Last November, at Christ Our King Presbyterian Church in Bel Air, over 250 people spent a Saturday morning filling 1200 boxes of food for Thanksgiving. As a result, 300 families in Harford County received a frozen turkey and food for Thanksgiving dinner, plus food for additional meals. Through a joint effort with Knox Presbyterian Church and Grace Presbyterian Church, food was also distributed to an additional 850 families in Baltimore City. Fifty Maryland National Guard families throughout Maryland were also served.

The 1200 turkeys and boxes of non-perishable food supplied by Christ Our King Presbyterian Church were made possible by the generosity of church members, friends, and many local businesses and organizations. We wish to thank the following members of the Harford County and Baltimore area business community for their in-kind and financial donations:
