Greetings FGEA FAMILY!

I am honored to be working within FGEA as the Home Missions Director. Within my scope of duties is Church Planting and Church Re-vitalization.

Currently we have 2 churches being planted within FGEA.

Pastor Jeff Dixon and his wife, Vanessa, will be relocating to Miami, OK within the next month or so. After much prayer and research, they will be planting Word of Life Fellowship Miami. They are pioneering this church with very little resources at this time. This is a community with a junior college and a depressed economy. We believe with the support and networking that our family at FGEA can offer, they will be successful in the Miami area.

I recently went to Columbia, MO and met Pastor Jason Waterman and his wife, Margie. This family will be planting a FGEA church in Cape Girardeau, MO. These pastors with their son, Josiah, are taking a leap of faith and believing that they will have an impact on the lives of the people in this area of Missouri. As with Pastor Jeff and Vanessa, they need people to partner with them financially, prayerfully, with friendship and any advice they can get from seasoned ministers.

Pastor Ron and Julie Hadlock pastor Living Faith Ministries in Waverly, PA. They planted this church around one year ago. I spoke with Pastor Ron today. He is asking for prayer for their ministry. They want to become more involved with FGEA. They need leaders within their congregation to step up to help them reach their area with the Gospel of the Kingdom.

Pastor Marilyn Wood and her husband, Robert, pastor Reflecting His Glory Full Gospel Church in Denison, TX. If you have not met this precious woman of God, you need to! She has worked hard in this area for the Kingdom of God. Please continue praying for their ministry as it grows and becomes more established.

If you'd like to make a financial contribution to any of these church plants or new ministries, please send that contribution to the FGEA Office with a note stating which ministry you would like to help.

Additionally, if you have any items/equipment to donate that would help any of these churches, please let us know. We appreciate your prayer for all of these brothers and sisters laboring with us.

Ronnie Swadley
Home Missions Director
