### **Small Group Questions**

#### **Engage in Community**

Going Deeper: use the following questions for personal reflection and/or to discuss when family, friends and small group.

1. Was there ever a time when you gave up on church, or at least wanted to? Why was that?
2. Agree or disagree: our culture has become unanchored to a moral and spiritual foundation. Why or why not? Can you give examples?
3. What are the three goals that First Covenant has for 2019? Which of these have you experienced as a result of engaging in the church community? How did that happen?
4. Do you believe that we are better in rows than in circles. If so, why?
5. Read Acts 2:42-47.
  - a. The key word here is “devoted.” To what are you devoted? How does that devotion look?
  - b. What are the different aspects of this community to which people were devoted? (verse 42)
  - c. Are you devoted to any of these aspects? How so, or how not? Why, or why not?
  - d. What might you do to devote yourself to these aspects and how might that impact your life?
6. If you are currently disengaged, will you take the challenge to engage between now and Easter? What will that look like for you?
