

REOPENING UPSTREET

STARTING OCTOBER 4

Taking our Time

We want your child's experience in UpStreet to be a great one! Until we have more volunteers who are comfortable serving to make it great for all of our UpStreet kids, we'll be opening up the nurseries for ages birth - 3 years only.

- No older siblings will be allowed.
- A Nursery Crew member will take your child to and from the UpStreet Station for drop-off and pick-up.
- No toys from home, please!

We ask that you please take a "health assessment" of your family before coming to church. If anyone feels ill, has had a fever in the past 24 hours, dry cough, sore throat, or loss of taste or smell, please refrain from attending.

Family Screening

Check-in/Check-out

We ask that check-in be done by one parent only. We also ask that the same parent who checked-in be the one to check your children out.

Touchless Check-in!

Download the Church Center app to your phone to pre-register your children before you even come into the church doors! We'll show you what to do when you get here!

Masks

Volunteers will be wearing masks unless medically unable.

Children in PreK-5th grade will be required to wear masks when they come back.

Grab Bags

We will have grab bags available at the Welcome Center for children who are sitting with their parents during the service.

Hand sanitizing stations will be available at each entrance door to the church building and in the UpStreet rooms. All volunteers will sanitize their hands frequently.

Clean Hands

Entering & Exiting

If you are planning on checking your child into UpStreet, we ask that you park by and use the Children's Ministry entrance door on the rear side of the building to enter and exit. Look for the flags!
