

March 2018

Dear Friends,

In February I took a music ministry team composed of 11 singers and musicians from 7 different churches here in the US to Yucatán. We ministered in a variety of events which included:

- Church-based music events.
- An open-air evangelistic event in the town of Uman. This event was held in a park; we partnered with our Project Yucatan puppet team in ministering to a large crowd of children, youth, and adults.
- A church music clinic which was hosted by a local church in Merida. Those in attendance were pastors, worship leaders, and church members interested in music ministry. Our team ministered through song; a local church ensemble complemented this event with their music. The three worship leaders who were members of our team also shared information on conducting worship services. The conclusion of this meeting was immediately met with requests for a future music clinic.
- The inauguration of a language school. This was an event in which I was asked to give the benediction at a new language school in Merida; the incorporation of the music team in the program was an additional blessing.

A highlight of the music ministry trip was our last presentation in which Global Faith missionaries Dan and Carmen Rogers gathered three church plants they have started. Our team was deeply impacted by lives that are being touched by this outstanding missionary work.

The music ministry was always accompanied by the preaching and teaching of the Word of God through

which some came to know Christ and many were blessed. Thank you for supporting us in these exciting missionary endeavors.

Sincerely,

Roy & Edi Seals

The team sang in various settings in order to encourage believers and witness through song to unbelievers.

Our bus driver, Nelson, was a musician and enjoyed interacting with the team.

The first day of the trip allowed the team to get to know one another and rehearse music.
