rockford baptist church DATA FORM

Please take the time to share the following information with us.

Whether you have been at RBC for decades or for a few weeks; even if you think we already have this information, please give it to us afresh as requested. We want to be sure that our records are as accurate as possible.

The directory will include names, addresses, phone numbers, birthdays, anniversaries, & email addresses of our church family. You always have the option of choosing which information you want included or excluded. All other information is confidential & is for office use only, unless otherwise specified.

At NO COST, all regular attendee families will receive one small bound black & white photo directory. The color directory will also be available on the church website under the RBC login. For security reasons, the login password will be needed to access this information. Check with the church office for login info. If you would like additional directories, the cost is \$5 each, contact the church office (616) 866-0345.

QUESTIONS: see Kathy Adams or contact the church office.
