

Zoom instructions!

For mobile device or tablet: (cell phone, iPad, etc.)

1. Download the Zoom app. Just search "Zoom"
 - a. Apple users - the App store
 - b. Android users - Google play store
 - c. The icon is blue with a white video camera.
2. After it's downloaded, be sure to allow permissions. For Example, when it asks "Allow Zoom to use device camera"/ "Allow Zoom to use device microphone or audio"
 - a. **Say YES!**. This will ensure that everyone else can see and hear you!
3. On Sunday morning go to our website tcqc.org
4. On the website, you'll find the links to the 2 Life Group sessions. One at 9 and the other at 9:30. Click the one you'd like to join, and it will open up in your Zoom app. Follow the prompts as it opens.
5. Again, be sure to let it use your microphone and camera. The app will ask you if you want to join the meeting with audio and video, push yes.
6. At this point you should be in the video call! There are several options on your screen, you can mute and unmute your microphone with the button that has a microphone on it and turn your camera on and off with the button that has the camera on it.
7. Enjoy your Life-group!

For Computer- Mac or Windows:

1. On Sunday morning, go to our website (tcqc.org) and click the link of the Life Group you'd like to join.
2. Clicking that link will take you to the Zoom website and your Life-group meeting.
3. When you get to the website, it will ask you if it can "download" or "open" Zoom. Push "Allow" or "open". The wording your computer uses may differ a little bit.
4. **If it doesn't prompt you to download anything**, the Zoom website has a button you can push that will also download what you need. "Download and run Zoom"
 - a. Click that button and it will start downloading for you.
5. Once it opens, make sure you allow Zoom to use your microphone and camera. And start you meeting with video and audio.
6. At this point you should be in the video call! There are several options on your screen, you can mute and unmute your microphone with the button that has a microphone on it and turn your camera on and off with the button that has the camera on it.
7. Enjoy your Life Group!
