

IMAGINE INITIATIVE FAQs

□ WHEN DOES THE GIVING PORTION OF THE IMAGINE INITIATIVE BEGIN?

December 1, 2018, and it goes through November 30, 2020

□ WHAT IF I DONATED TOWARDS MY IMAGINE COMMITMENT PRIOR TO DECEMBER 1, 2018?

Please contact Lydia Boreman Lydia@GraceCrossingChurch.net and let her know which donation(s) were intended for the campaign.

□ CAN I INCREASE MY IMAGINE COMMITMENT?

Absolutely! You can do so by filling out a new commitment either online or using a commitment card provided by the giving boxes.

□ WHAT FUND SHOULD I USE FOR MY IMAGINE COMMITMENTS?

The General Fund. All giving to the General Fund will be considered Imagine donations for those who have filled out a commitment card.

We are using a 'One Fund' approach, which means all donations should go to the General Fund, and they will be used for missions, ministry and operating expenses based on a budget directed by the church trustees. The surplus that we receive each month beyond what has been projected for those purposes will be earmarked for the expansion. In this way, we are meeting our immediate needs first then applying the surplus toward the expansion.

Donations that are given towards general missions and the building will also count towards your Imagine commitment and will be used for the purpose you indicated. Donations given for more specific purposes will not be applied towards your Imagine commitment.

□ WILL I RECEIVE REGULAR STATEMENTS FOR MY IMAGINE COMMITMENT?

Yes, you will receive a statement each calendar quarter showing the total Imagine donations received and the outstanding balance of your commitment. This will accompany a donation statement that will list all of your individual donations for the year. See **YEAR-END GIVING** for more details.

□ WHO SEES WHAT I PLEDGE?

We believe giving is a heart issue between you and God. Your donations are only seen by a handful of carefully selected volunteers who process the offering and by Lydia Boreman, our Director of Stewardship, who enters everything in our system. Imagine commitment cards are processed and kept by Lydia, who communicates the totals to the pastoral staff, and not of your individual commitment or donations.
