Everybody's Birthday Party

February 17 | Youth Lounge
It's hard to celebrate everyone's birthdays as they come up as a youth group - If we did, we would probably have a party every other week! Instead, we will be celebrating everybody's birthday all at once! Join us for cake, games, and birthday fun! If you've never been to youth, or haven't come in a while, this is a great opportunity to get plugged in!
Confirmation has begun! Friday, February 1 is our first meeting at St. Paul's and will begin in the Youth Lounge at 6:30! This is an important journey for this group of youth, so please remain in prayer for this class as they learn more about each other and the faith we all share.

**Weather Policy**

While winter weather looks like it may be coming to an end soon, it's always a good time to review St. Paul's weather policy. When Montgomery County Public Schools are closed, St. Paul's is also closed and all activities will be canceled or rescheduled. Your safety is the first priority. I will also send out an email to remind everyone if Youth activities are canceled as soon as I can. For more information about the weather policy, go to the homepage of the church website at Stpaulsk.org
