Dear Parents,

You, our parent and community volunteers, are an integral part of St. John Vianney. As parents, you have ideas, talents and time to share with our students and our school. It is our belief that volunteer programs are beneficial to everyone involved. These programs also help to foster stronger school/community relationships by creating a common ownership in the success of St. John Vianney. They also demonstrate the importance of community service to all involved in the program, especially the students.

The **Family Commitment Agreement** (FCA) was implemented approximately twenty years ago, at the request of Home School Association (HSA) parents, as a way to help offset steep education costs. This school year, the HSA commits to raising \$100,000 as their part in offsetting ongoing operational expenses of the school, including the maintenance of the grounds and facilitates. Extra funds raised by the HSA stay with the school and are used to purchase items, equipment, and services that benefit the school under direction from the principal and pastor. Any funds not used are turned over to the school to further defray school related expenses.

All families registering at SJV School regardless of their parish affiliation are required to participate, and commitment to volunteer at HSA sponsored fundraisers.

PreK3 M-F (full days)	\$300 commitment and must volunteer for five (5) hours
PerK4 M,W, F (full days)	\$300 commitment and must volunteer for five (5) hours
PreK4 M-F (full days)	\$300 commitment and must volunteer for ten (10) hours
Grades K through 8	\$300 commitment and must volunteer for ten (10) hours

This HSA commitment is comprised of volunteer hours and fundraising responsibilities. Volunteers are critical at all HSA events, especially at our Major Fundraisers (traditionally the Meat Raffle in the fall, Cash Give Away and the Gala, however not limited to) and your support is needed for our success. While there are a specified amount of hours required, please note we will need more of your time & talents to achieve our HSA goals.

These HSA fees will be processed through your FACTS account which will follow your current billing agreement unless otherwise approved.

We have to finance our school creatively and adequately. We do hope all families volunteer for our HSA sponsored fundraising events, however if volunteering is not completed a fee of \$50.00 per hour will be assessed in May 2022. Again, thank you for your support. Your service represents a truly valuable contribution to the school and students.

Sincerely,

St. John Vianney Home School Association
