REFLECTIONS:

- ♦♦♦ God told Joshua and his people to march around the city how many times?
- ♦♦♦ What does God promise His people? Why were Joshua and the people able to enter Jericho?
- ♦♦♦ Joshua and God's people obeyed God. Joshua and the people didn't have to follow battle plans; they just had to do what God said. Only God could make the walls of Jericho fall down by having people shout and blow trumpets. And He did! So, the people entered their new home. But remember the end of the story? The people soon stopped obeying God; they didn't do what God said, and many years later they would lose their home. But God promised He would always be with them. One day He would give them another Leader and another home.
