 2 – That’s somewhat me.  
 3 – That sounds like me.  
 4 – That’s me!

Directions – For best results, write your scores on your tests then transfer your results to the answer sheet. When you are finished, add the scores from left to right and enter the amount in the totals column. Scores vary based on personality styles. Some people tend to score themselves lower than they should. Look for clusters of scores. For example 10-12 would indicate a high area of giftedness, and 7-10 might indicate a secondary area of giftedness.
