

*Feed the hungry, and help those in trouble. Then your light will shine out from the darkness...Isaiah 58:10 NLT*

What an amazing outpouring of love this congregation has shared through your Mission work this month.

- An abundance of cereal has been collected and will be sent on to Empower Boone Food Pantry. Stay tuned as we wait to hear how we can be of help again.
  - The Northern Illinois Food Bank Mobile Truck was here on April 22nd and over 30 volunteers helped distribute food to 200 families. It was a beautiful day and we were blessed to have so many people share how much it meant to them to receive our food and our love.
  - The Rice Meal Pack, held in conjunction with Midwest Mission, was our opportunity to step outside of Boone County to send food globally to feed 14,400 people that are in need. The event took over 100 volunteers and the Mission Team is so thankful for all who helped!
