Thank you to everyone who helped with Hero Hotline VBS! It was an amazing week, full of learning about Jesus, God's love, and how to help others. We are especially thankful for the soldiers from Fort Novosel, Ozark EMS, and the Ozark Fire Department for participating in our hometown heroes rotation. The kids loved learning how they serve as heroes every day.

TOP FLOOR NEWS

Top Floor Youth was able to experience fun and a variety of ministry opportunities around the community this past week. This was our Youth Week, where the students go and volunteer at local nonprofits in order to demonstrate God's love in a practical way. On Tuesday, we went to the Ozark Dale County Library to help them with sorting donations and organizational work. The library also gave us a tour and showed us their collection of Bibles that are several centuries old, most of which have anecdotes from their original owners. On Wednesday, we went to the Ozark Boys and Girls Club to interact with the children and show them care. Thursday, the students went to the Ozark-Dale County Humane Society to help with lawncare, cleaning, and interacting with the animals to get them acclimated to people. They also shared their experience with fundraising and gave us advice and opportunities for other chances to serve with them. Finally, the students ventured to Enterprise on Friday to play mini-golf and celebrate the work that was done over the week. They also got to share a meal together each day, building friendship with one another and sharing about their faith in our Lord Jesus Christ.

With Gratitude,

Alex
