Subject: TOMAGWA HealthCare Ministries Receives \$17,500 Donation from Resale with a Purpose

TOMBALL, May 3, 2019 –TOMAGWA HealthCare Ministries announced today a \$17,500 gift donation from Resale with A Purpose (RAP), one of several gifts committed by RAP to support the medical and dental clinic ministry at the Ryan Paul Whitaker Memorial Medical Center in Tomball.

The gift was presented by Paula Whitaker, mother of the late Ryan Paul Whitaker, from whom the building is named. “Ryan’s mission in life was helping people and his goal was to become a nurse. What better way to help people than TOMAGWA HealthCare Ministries for the past 30 years. I love this ministry, and Ryan’s “Life with a Legacy” lives on and will continue for many years to come,” said Ms. Whitaker.

“As local community groups and individuals are informed about TOMAGWA’s growth and increased patient care demands, their donations continue to help TOMAGWA build momentum to meet these needs,” said Timika Simmons, Interim CEO. “We are truly grateful for Resale with A Purpose’s gift which will directly support up to 140 uninsured patients in need of medical, dental, lab, and pharmacy services in the Tomball, Magnolia, and Waller county areas,” said Ms. Simmons.

“By way of this donation, I am proud to announce the latest way in which Resale with A Purpose is going to give back to our local communities in an even greater way,” said Brad Bartlett, CEO. “Resale with a Purpose gives away 100% of its profits and plans to give \$1M over the next 2 years to our local Tomball charities and TOMAGWA is one that we have been proud to support over the years and are glad to continue to support,” said Bartlett.

About Resale with a Purpose

Resale with a Purpose was formed by a group of volunteers, caring about family values and needs of the Tomball community who decided to use their experience, time and talents to earn monies to give back to the Tomball community. Resale with a Purpose has helped a local ministry each month since its formation in August of 2010. Our goal is to provide funds for community needs without asking for financial contributions or engaging in explicit fundraising activities. Together with TEAM, we are the only local ministry that gives 100% of its proceeds directly back to our community.
