### YOU DON'T WANT TO MISS THIS!!!

This Sunday night at 7:00 in the chapel we will be celebrating in song the wonderful blessings of this summer season. Our local talent here on the campground will be singing and playing instruments and it's going to be great fun of praising the Lord. Come here the worship team, solos, duets, trios and our very talented musicians. Willie Batson will give a short devotional to conclude the campground Sunday night program. For you who will be on the grounds for the month of September, we will still be having our get togethers Sunday nights at 6:30 in the chapel.
