

PASTOR'S NOTE

Today we are starting a journey that will take us over a year to complete. Together we are going to dig in to the Apostle Paul's letter to the Romans. Never, ever do we want to say out loud that we have a favorite child or book of the Bible. That said, I have to say that the book of Roman's has been called by more scholarly minds than mine "The Greatest Doctrinal Discourse." I have personally referenced the book of Romans in my own life only second to the book of Psalms. It is a powerful letter and being totally inspired by God, it holds the answers to every challenge in the Christian walk. It is for that reason that we have provided for you a journal that includes the text of the book of Romans along with blank pages to take notes. We have enough for each of you to have your own. We have even provided labels for you to put your name on the cover of the journal in the event that you either accidentally or purposely leave your journal at the Church. Some of you may want to consider leaving it here to be sure it will be here when you need it. There will be a container on the table in the lobby where you can leave yours, and if you accidentally leave yours here, we will collect them and put them in the container for you. You will still receive outline handouts for each message as you normally do. You can either just store those handouts in your journal, or you can transfer those notes directly to the pages of the journal. Either way, the goal is to have a lasting record of our journey through this extraordinary book of the Bible. Remember that if you miss a service for some reason, the audio or video is available on our Church website at www.crossroadswaupun.org. You can also stream the service live or on playback from Facebook. "Keep Your Hand To The Plow."

Have a GREAT week!! Love—Pastor Jeff

Therefore, since we are surrounded by such a great cloud of witnesses, let us throw off everything that hinders and the sin that so easily entangles. And let us run with perseverance the race marked out for us, ² fixing our eyes on Jesus, the pioneer and perfecter of faith. For the joy set before him he endured the cross, scorning its shame, and sat down at the right hand of the throne of God.
