

PASTOR'S NOTE

I am excited to announce that starting on Wednesday, February 28th, I will be facilitating an Adult Bible Study titled “The Invisible War”. I first read the book written by Chip Ingram back in 2013. The book was designed to help every Believer know what needs to be known about Satan, Demons, and Spiritual Warfare. Each of the eight lessons that we will be looking at will include a video presentation by Chip Ingram, followed by a Bible study and time of discussion. There will be a sign-up sheet for the class at the Welcome Center. Though there are no materials to purchase, I will need to know the number of copies of notes to make, so be sure to sign up for this class. Jamie Rake will also be continuing his class on the book of Galatians. You are welcomed and encouraged to participate either of these excellent adult classes. Pastor Zack’s class on “The Good Book”, will be wrapping up on February 21st. I appreciate him taking the time to teach the adults for a change. I also appreciate the willingness of James Huizenga to teach the Youth class so that Zack could do so. If you currently are not a Wednesday nighter, try it. “Keep Your Hand To The Plow.”

*Have a **Great** week in the Lord! Love—Pastor Jeff*

Therefore, since we are surrounded by such a great cloud of witnesses, let us throw off everything that hinders and the sin that so easily entangles. And let us run with perseverance the race marked out for us, ²fixing our eyes on Jesus, the pioneer and perfecter of faith. For the joy set before him he endured the cross, scorning its shame, and sat down at the right hand of the throne of God.
