

## **PASTOR'S NOTE**

Man, how awesome has it been studying the book of Romans together over the past month?? I'm so excited to finally get the opportunity to teach on this incredible book of the bible. The Bible. The most important book you could ever read. Maybe you're aware of this, but we are becoming an increasingly bible illiterate people. You can see how this is a problem. How it's no shock that our society keeps taking massive steps backwards, away from God. If you don't know the Bible, it's so much easier to compromise, to cave in to the culture around you. This is the reason we're doing this series, why we have a bible reading plan available for those of you in our Family Groups (and outside of them) and why we do a lot of things at Crossroads is to address this issue. I don't know what your personal devotional time looks like. But let me challenge you with this, whatever the state of your personal devotional time is....do more. Spend more time in your bible. Studying it. Digging into the amazing truths that are present in it. We're a busy people, I get it. But this is the priority. Get to know His Word. As you get to know His Word, you'll find that you'll get to know him.

Let's do this together!

Pastor Zack

Therefore, since we are surrounded by such a great cloud of witnesses, let us throw off everything that hinders and the sin that so easily entangles. And let us run with perseverance the race marked out for us, <sup>2</sup>fixing our eyes on Jesus, the pioneer and perfecter of faith. For the joy set before him he endured the cross, scorning its shame, and sat down at the right hand of the throne of God.
