

PASTOR'S NOTE

Michelle and I returned home this past Thursday from a little get-away to the Gulf Coast of Alabama; Orange Beach to be more precise. It's been a few years since we have been there, so we were really looking forward to going back. Now, because I am writing this before leaving, I can't say for certain, how the vacation was. If our past experiences in Orange Beach have taught us anything, it was good.

I so appreciate everyone picking up the slack in my absence. Thanks to Roberta Hoffman for teaching a short, two-week Adult Elective class on the Wednesday evenings I was away. Thanks to the Children's Teacher's and Helpers for filling in for Michelle so she could go with me. (That sounds a little goofy because I obviously wouldn't have gone without her...I think.) And a big thank you to Pastor Zack for going solo for a few days here. The two things that I didn't want to miss were the second message in his "Magnify" series, and the First Monday Prayer Meeting last Monday. From what I hear, both were fantastic.

So, today is our 2018 Annual Business Meeting. After the service this morning, we will head into the Fellowship Hall for our regular Second Sunday Luncheon, and then at about 12:30 we will gather back in the Sanctuary for the meeting. If you are a member, be sure to sign the Membership Roster during the luncheon. I am glad to be back and looking forward to a good meeting. "Keep Your Hand To The Plow."

**CROSSROADS
FELLOWSHIP**

Therefore, since we are surrounded by such a great cloud of witnesses, let us throw off everything that hinders and the sin that so easily entangles. And let us run with perseverance the race marked out for us, ²fixing our eyes on Jesus, the pioneer and perfecter of faith. For the joy set before him he endured the cross, scorning its shame, and sat down at the right hand of the throne of God.
