

PASTOR'S NOTE

After the completion of the new flooring in the lobby and fellowship hall, we are now looking at a long overdue upgrade to the audio-visual system in the Sanctuary. While parts and pieces of the system are relatively new, the vast majority of the system is severely dated. In fact, some of the most important pieces of equipment are more than 20-25 years old. We do not as of yet have a solid dollar amount needed to complete the entire project, but we do know that it will require at least \$15,000.00. I want to thank Dan and Linda Gitzel for their willingness to host a Sound System Upgrade benefit rummage sale upcoming in May. Instructions about how to donate items to be sold at this sale are in the announcements. Please help us with this very much needed project.

This coming weekend of April 19-21, is one of the great celebrations on our Christian calendar—Easter!!!. Join us Friday, April 19th at 6:30pm for our Good Friday Service. Then on Easter Sunday, April 21st, the celebration kicks off with a Breakfast at 9:00am in the Fellowship Hall followed by our Resurrection Celebration Service at 10:00am. Join us and “Keep Your Hand To The Plow.”

Therefore, since we are surrounded by such a great cloud of witnesses, let us throw off everything that hinders and the sin that so easily entangles. And let us run with perseverance the race marked out for us, ² fixing our eyes on Jesus, the pioneer and perfecter of faith. For the joy set before him he endured the cross, scorning its shame, and sat down at the right hand of the throne of God.
