

PASTOR'S NOTE

Today is Mother's Day. Have you ever wondered who invented the idea and when it started? I always assumed that the Halmark Greeting Card Company started it (half kidding). But here are the facts. In 1872, Julia Ward Howe (who wrote the words to the Battle hymn of the Republic) suggested the idea of Mother's Day, but it was Miss Anna M. Jarvis (1864-1948), of Philadelphia, who began a letter-writing campaign to a variety of influential people that made Mother's Day a national holiday. In 1907 Anna persuaded her mother's church in Grafton, West Virginia to celebrate Mother's Day on the second anniversary of her mother's death, the 2nd Sunday of May. By the next year, 1908, Mother's Day was also celebrated in Philadelphia. In May of 1913, The House of Representatives unanimously adopted a resolution requesting the President, his Cabinet, members of Congress, and all officials of the federal government to wear a white carnation on Mother's Day. Congress passed another Joint Resolution May 8, 1914, designating the second Sunday in May as Mother's Day.

So...with that I want to take this opportunity to wish all you Moms a Happy Mother's Day! Yours is the highest calling that any human being can aspire. Thank you for all you do; especially those things that no one else ever sees and will never know about. You are deserving of all the honor we can heap upon you PLUS some.

In closing, I want to thank the Ladies Ministries committee for holding the annual Mother/Daughter banquet last Friday night. Your time and effort are appreciated. "Keep Your Hand To The Plow."

Have a Blessed week!! Love—Pastor Jeff

Therefore, since we are surrounded by such a great cloud of witnesses, let us throw off everything that hinders and the sin that so easily entangles. And let us run with perseverance the race marked out for us, ²fixing our eyes on Jesus, the pioneer and perfecter of faith. For the joy set before him he endured the cross, scorning its shame, and sat down at the right hand of the throne of God.
