

PASTOR'S NOTE

In just a couple of weeks, we will be closing out our Wednesday night Children's programs for the summer months. The Sunday morning Children's Church programs WILL continue as a year round opportunity for children to receive excellent instruction in God's Word. Yet, as we close down the Wednesday childrens classes for the summer, it gives us a chance to pause and reflect on what God has done with these programs, as well as what He is leading us to do when these programs reopen on Wednesday, September 5th. First and foremost, we want to applaud the men and women who served as teachers and helpers in these Wednesday night classes. We also want to thank Dena Casper for her extraordinary work in planning, preparing, and guiding these programs. The classes all grew in numbers and the children who attended grew in their understanding of and relationship to God.

Looking ahead, we are currently in need of the following: a Little's Teacher, a Big's Helper, and Nursery personnel. Please consider how YOU can help fill these needs. "Keep Your Hand To The Plow."

Have a GREAT week in the Lord! Love—Pastor Jeff

Therefore, since we are surrounded by such a great cloud of witnesses, let us throw off everything that hinders and the sin that so easily entangles. And let us run with perseverance the race marked out for us, ²fixing our eyes on Jesus, the pioneer and perfecter of faith. For the joy set before him he endured the cross, scorning its shame, and sat down at the right hand of the throne of God.
