

## PASTOR'S NOTE

My wife, Michelle, receives a few catalogs in the mail, and one of them is called "LTD Promotions". Maybe you've seen one of these. I went to their website a few days ago, looking at different Father's Day gifts that I might want to guilt my children or even my grandchildren, into getting me for this very special day. Believe it or not, they had a page titled, "Father's Day Gifts for Under \$1.00." There were, get this, 31 items on that page. One item was the "Face Cloth Embroidered with 'Dad'." I clicked on it and found out

that first of all, you had to buy a minimum of 10. I also found that though the picture showed it as a set of three towels (face cloth, hand towel, and bath towel), you were only getting the small face cloth. You could order the other two separately though. Well, I went to "test order" the face cloths and on the shipping page, the only country of residence it would let me select was Australia. The tax was \$1.00, the

shipping was \$20.00; and now my face cloth embroidered with "dad" on it was \$31.00 for 10 face clothes. So now my \$1.00 gift of 1 face cloth was up to \$3.10 each, for 10. Add to that, \$2,067.00 for a roundtrip ticket to Sydney, Australia to pick it up, and the cost is \$2,098.00 for a \$1.00 face towel. Oops, I almost forgot the wrapping paper and the card. That's another \$4.00. So the final cost is \$2,102.00. Happy Father's Day! By the way, the hand cloths are on backorder so maybe next year. Father's, take it from me, it's the thought that counts, right? "Keep Your Hand To The Plow."

Therefore, since we are surrounded by such a great cloud of witnesses, let us throw off everything that hinders and the sin that so easily entangles. And let us run with perseverance the race marked out for us, <sup>2</sup>fixing our eyes on Jesus, the pioneer and perfecter of faith. For the joy set before him he endured the cross, scorning its shame, and sat down at the right hand of the throne of God.
