

PASTOR'S NOTE

I'm sure you have heard the phrase, "Just is the nick of time." History records the first usage of that phrase in 1615. Before then, it was called "pudding time" for some reason. Of course, either phrase refers to something needed that took place "at a crucial moment." Well, tomorrow will be the August version of the "First Monday Prayer Meeting"; and I must say that it is taking place "in the nick the time." I'm hoping that you are asking the logical question at this point, which is: "Why is this time so crucial?" There are a couple of reasons. First, with the "Back-To-School Carnival" behind us, we need to pray vigilantly for those who were moved by the Gospel message. Second, we need to pray for the favor and the blessing of God upon our church to provide supernaturally for our financial needs. I hope that you will invest an hour in this very crucial ministry tomorrow night from 6:00-7:00pm.

Speaking of the "nick of time": The "Stronger Men's Conference" is scheduled for Friday and Saturday, September 21-22. This is also a very critical event that can be an enormous blessing upon your life. You will need to register at the Welcome Center and pay your \$25.00 deposit by September 9th. Tickets will be ordered together at that time to insure that we are all together as a group. The remaining \$62.00 will be due by September 21st. Now is the time to make your plans to attend. So, mark your calendar and make it happen. "Keep Your Hand To The Plow."

Have a **GREAT** week in the Lord! Love—Pastor Jeff

Therefore, since we are surrounded by such a great cloud of witnesses, let us throw off everything that hinders and the sin that so easily entangles. And let us run with perseverance the race marked out for us, ²fixing our eyes on Jesus, the pioneer and perfecter of faith. For the joy set before him he endured the cross, scorning its shame, and sat down at the right hand of the throne of God.
