Dear Friend:

On behalf of the Mid-South American Association of Christian Schools, I want to thank you for all that you do for the cause of Christ, and I want to invite you to join our organization for an encouraging and practical one-day event: the Equip In-Service Day. **Please take just a few minutes to learn about this exciting event!**

As a former administrator, I was always looking for solid, inexpensive in-service training for my staff, and that is why we launched the Equip In-Service Day. You and your team are certain to find the keynote sessions challenging and the workshops sessions practical. Attendance is open to any Christian school, and through the day, our goal is to equip and encourage Christian educators to more effectively fulfill their God-given calling.

Before sharing the day's details with you, let me share a little about MSAACS with you. MSAACS exists to equip Christian schools to meet the needs of the twenty-first century student. With God's help and for His glory, we seek to:

- Champion** Christian education on both the state and federal levels.
- Serve** and **Strengthen** member schools by providing innovative educational programs designed to allow member schools to fulfill their God-given mission.
- Encourage** like-minded ministries to prayerfully consider launching a Christian school.

Now for the conference details: **Dr. Jeff Walton and Mrs. Judylynn Walton**, who serve on the executive staff of the American Association of Christian Schools, and **Dr. David Warren**, principal at Calvary Baptist Academy in Midland, MI, will be the featured speakers for the conference. Our speaking team brings a wealth of experience to our conference, and I cannot wait for you to hear them because I know that you will be challenged and encouraged by their presentations.

The Equip In-service training day will take place on **Friday, August 13** on the campus of Macedonian Christian Academy in Alamo, TX. The conference cost is \$49 per person, **but if you register and pay by July 16, you can take advantage of the early bird rate of \$29 per person!!**

**Would you please consider attending Equip?** Not only will you benefit from fellowshiping with other believers, but you will certainly be challenged by the exhortation of our speakers. With this letter, I have included the conference invitation as well as the registration materials. Online registration can be found at <https://msaacs.com/equip-in-service-days>.

If I can answer any questions about the conference or MSAACS, please do not hesitate to contact me at [mticzkus@aacs.org](mailto:mticzkus@aacs.org). I look forward to seeing you in August!

**Registrations will be accepted through Wednesday, August 11! Don't miss out!**

Sincerely,

Matt Ticzkus  
Regional Director, MSAACS
