

Rise Academy Tuition and Fees (Effective April 15th, 2018)

At Rise Academy,

- we provide a personal touch to everything we do.
- it is our desire to teach with excellence, but also with heart.
- we provide special classroom activities to celebrate all through the year.
- we plan three special activities for the entire family during the school year.
- we seek out exceptional learning adventures with each quarterly field trip.
- each of our teachers create carefully crafted lesson plans.
- our curriculum is literature-rich, because we believe "Readers are Leaders."
- we incorporate Biblical character building into all we do.
- we look for a variety of ways to plan hands-on experiences for our students.
- our small class sizes and our low teacher-to-student ratios allow our teachers to provide an effective and individualized learning environment.
- your child isn't just another student on our class list. Rather, they become a part of our hearts.

It is our goal at RISE Academy to provide excellence in education at an affordable and competitive price.

Tuition payments may be made monthly, August through May, with the first payment beginning on August 1st. They may also be made in full on or before August 1st. A 5% discount is given when you pay for your entire tuition in one payment. We offer sibling discounts for multiple students in 1st through 4th Grades. The discount is 10% off for each additional child, after the first child.

All tuition payments and fees will be made to: RISE Academy. Tuition is due on the first of the month and is late after the fourth. A \$25 late fee will be charged for each payment made after the 5th. A \$25 penalty fee plus associated fees will be assessed for each returned check.

When you make your final decision to enroll in RISE Academy, the commitment is for the entire school year. Parents wishing to withdraw a student during the school year are required to pay tuition for the full year. Special consideration will be given for hardship situations.
