

EXIT 18 DISCIPLE NOW 2018

RBC registration & \$50 deposit deadline: **Sun, Feb 4th 2018**

What is Disciple Now?

Disciple-Now Weekend is a life-changing opportunity in the life and faith journey of any student or leader in attendance. Disciple-Now exists to engage students with the living and active Word of God through corporate worship, small groups, host homes, missions, and teaching of the Word. In other words, it is all about relationships with God and each other.

Why Exit 18?

Over the past few years, several student pastors across Troup County have formed a community where we are able to encourage each other and participate in each other's ministries. We meet together to share the praises and needs in our ministries and to pray for each other. We have come to realize that the more we are able to work together as the Church and not separately as individual churches, more genuine Kingdom work is accomplished. Exit 18 represents the combined hearts, visions and ministries of the Church in Troup County. The focus of Exit 18 Disciple-Now weekend is not about promoting one church or putting ministries up against each other, but rather to connect our students to God and each other under The Powerful Name of Jesus.

How Much Does it Cost?

Students pay \$50. This cost covers T-Shirt, 5 meals, Project Materials and helps cover some expenses associated with the band and speakers lodging and food.

Host Homes?

Rosemont Baptist Church will provide their own host homes to house students for the weekend. Girls and Guys will be in separate houses and Rosemont chaperones will be staying in each house. Students will be under Rosemont adult supervision at all times.
