Events in **BOLD** have more information on the back.

JAM (Jesus & Me)

JAM is the best place for your elementary students to get plugged in with their friends, hear more about Jesus and have some fun together. We'll have games, and a lesson/small group discussion. You'll want to come check it out and bring your friends too! Our K-5th graders meet from 5:00-6:30 pm.

Vision Dinner

We look forward to the vision dinner every year at Wallula! Bring the family...Childcare is provided for kiddos younger than preschool, and elementary students will have JAM after dinner, during the meeting. **Please RSVP on the Church Center app!**

Baptism Class

Are you interested in getting baptized? Sunday, Feb 4th at 3:45 pm (before JAM and middle school youth group), Katy and Zach will be hosting baptism classes for the Kids and Student ministries. Even if you are just starting to ask questions, this is a great place to begin to get those answered and see if you are ready to be baptized. **Please RSVP on the Church Center app!**

Superstart! Conference

This weekend is designed specifically for 4-5 graders in mind! We are excited to be headed to Omaha, Nebraska on March 24th for this super fun overnight event! We will meet at WCC at 2pm to drive up to Omaha. Scan the QR code to access the registration and read more about the trip, the cost, schedule for the weekend, etc. ***Registration is due Feb 19th**

Easter egg hunt

Bring your friends and their kids out to WCC on April 2nd for our annual Easter egg hunt! We are looking forward to a super fun day together, in our own back yard! We'll provide all the fun...just bring your basket! We will not have JAM that evening. More info to come.

End of the Year Party

We are wrapping up JAM and Sunday night youth group together for the semester! We will meet at Crown Lanes in Leavenworth (834 Spruce Street) on May 7th (Time is TBD) to have some fun bowling! Stay tuned for more details!

Want to get involved with JAM or Sunday mornings in the kids ministry?! Email katy@wallula.org to get more information, and get plugged in!
