

The Windows and Sanctuary Furnishings

If you are interested in giving a window, pew or chancel furniture we ask that you fill out your card and bring it in on Wednesday, May 8th any time after 9 am. Due to the limited quantity of items, we will number the envelopes in the order they are received. This way everyone interested has an equal opportunity to perhaps give one of these items. On your card you may wish to indicate a second or third option if the first choice is already taken. The money doesn't need to be in the envelope. If you are gone on May 8th, please have someone drop off your envelope.
