

HURRICANE RELIEF

Sparta, TN

Proposal by Christopher Wiles

Minister of Central Church of Christ & Character Coach of WCHS Baseball Team

The goal is to give much needed relief to victims of Hurricane Michael in the Panama City Area & bring a little Christmas cheer by adopting families in need that were affected by the hurricane. The primary goal of the relief effort is give volunteer time & energy in debris cleanup on residential properties between Panama City, Mexico Beach, & Port St. Joe. While some supplies are valuable, our connections in the gulf suggest that volunteer manpower is the most limited resource as media coverage has waned over time. Please see page 2 for family adoption list.

TRIP #3
