

Bible memory program – Candy Bar version

April 11 – May 30

You can earn the size candy bar at the top of the column by memorizing the verse(s) from that column. One candy bar can be earned for each of the lines in that column.

For almost every line in the table, you'll see that the King Size includes verses that were also in the smaller sizes – you could possibly earn all 4 candy bars for learning the entire line!

- Already memorized some of these verses in the past? Say these verses for an easy prize and then challenge yourself to work on something new
- Quickly browse through the list to see if some verses are especially interesting or meaningful to you and work on those first

Say verses to one of our highly trained Award Staff before church on Sundays.

- They will be available 10:00 – 10:25 every Sunday
- If you can't make it on Sunday, you can make arrangements to say the verse by phone, Face Time, other video, saying to a family member or friend who will vouch for you

Use the bible version you like. If memorizing is hard for you, work on being able to summarize the verse and tell what it says rather than getting all the words. Bring your version with you so the staff can follow along as you tell the verse. They will give prompts if you're struggling, so having the version you learned from will be helpful for that.

- Try to do your best, a good effort will be rewarded
- The goal is to let God's word settle into your mind and heart so that it can be a benefit to you. This takes some time! Memorizing gets easier the more of it you do.

The "Mini" verses are chosen especially to allow the youngest kids to participate, but they are not limited to young kids.

- If your young child finds the Mini version too long to memorize, have them do as much as they are able!
