Children’s Recreation

Wednesday, January 29
7:00 - 8:00 P.M.
In the Family Life Center

2020 Offering Envelopes are Located in the rear hallway of the Sanctuary. Please pick yours up today!

I LOVE PLAYING GAMES! I love spending time playing games with family and friends especially playing outside! Unfortunately, the weather doesn’t always cooperate. Also, sometimes we need to spend time together as a family and take a break from technology. Here are a few activities to do at home with your family.

#1 – Set an indoor campground. Use sleeping bags and tents and turn your family room into an indoor campground. No sleeping bags or tents? You can also create a campground by arranging chairs in the family room, draping a bedsheet over the chairs to create the tent, and piling pillows and blankets underneath to create a sleep area.

#2 – Host indoor Olympic games. Conduct games and give out decorated “medals” for Olympic themed games such as: A sack race or a boiled egg and spoon race with a finish line and points given to the first person over the finish line; a physical endurance competition where points are given for the number of jumping jacks, push-ups, and sit-ups the child can do in 30-Second intervals.

#3 – Send the kids off on a scavenger hunt. Staying indoors can be fun when the kids are set off on a scavenger hunt to collect common household items. You can use a time limit or find a set number of items to find, awarding one point per item.

#4 – Throw a costume party. Let your kids use old clothes for hats, scarves, and costume jewelry to put on a costume party.

#5 – Hold an art show. Grab old clothes for your kids and spread out watercolors and brushes, crayons, markers, and colored pencils on a table along with poster board and construction paper. I hope that all families will spend time together making memories. God honors these special times and children will cherish these moments forever.

Mr. Jason

I hope that all families will spend time together making memories. God honors these special times and children will cherish these moments forever.

**Moments with Matt**

Greetings,

I would like to remind everyone about our upcoming Sunday School L.I.F.E. teacher training session. This meeting will take place Sunday, January 26th after the morning worship service in the Family Life Center. Lunch will be provided for all of our teachers. If you are a Sunday School teacher and planning to attend this training session, please let us know by calling the Church Office at 601-442-1464.

This meeting is designed for Sunday School teachers in order to encourage them and promote fellowship. Specifically, our topic of discussion will include reaching people for Christ. As Christians, evangelism is important to our faith. Jesus has called all believers to go into the world and spread the gospel (Matt. 28:19). We will discuss the importance of sharing the gospel and how to better reach our community through the ministry of Sunday School.

Blessings,
Matt Martin

**Chat with Chandler**

Church family,

Thank you for all the generous gifts you have given Destiny and me. They are all greatly appreciated and show the love and support for us in this church! As we transition into Natchez life we continue to feel the clear sense of family in FBC Natchez. If we have not had the opportunity to meet you please come find us!

We are currently studying 2 Peter in our Midweek Bible Study. A couple verses we highlighted were 2 Peter 1:3-4, "His divine power has granted to us all things that pertain to life and godliness, through the knowledge of him who called us to his own glory and excellence, by which he has granted to us his precious and very great promises, so that through them you may become partakers of the divine nature." These verses should encourage Christians that while corruption in the world is caused by our sin, God allows us to be partakers of the divine nature. By God’s provision we have full capability to obey him!

You are loved!
Chandler
