Memories from 2018

Interns from Trader's Point Academy—J-Term

Summer Interns & Staff

Highlights of 2018 Include:

The picture at the top shows three High School Seniors from Trader's Point Christian Academy who served as Interns with Mission Indy to help lead and mentor the students from TPCA who spent their J -Term with Mission Indy. This was a first for us and we thoroughly enjoyed pouring into and stretching these young people.

It is always an amazing privilege to work with and love on the Summer Interns that God sends our way. We had the privilege recently to hear a story about how the summer with MI was part of the way God led and grew one of the young ladies above in amazing ways. He is now using her on the college campus to bring others to Himself. Praise God!

Happy 2019 to all friends and supporters of Mission Indy!

It is always amazing when we meet and begin to work with new partners in the Kingdom. In 2018 we had the privilege of ramping up our partnership with Brookside Community Church.

In January, one of the things we did was a lot of interior demolition on one of the houses they will use for housing former inmates as they walk with them towards a new life. We continued doing that work through the summer and it is encouraging that by this Spring, the hope is the house will be ready to house some men.

Then in the summer, Mission Indy partnered with Brookside to engage the neighborhood kids in Summer Play. Mission Indy groups helped lead activities in three areas over the summer: Sports, STEM and the Arts.

Each day MI provided a Bible lesson and led songs and games. (See the picture below)

In the fall, Mission Indy helped Brookside finish up some very nice showers on the 2nd floor. We were the first group to use the showers with a weekend group that Brookside hosted for us!

As this new year begins, the Board of Directors and staff are preparing for a strategic planning season. There are two specific evenings of prayer that you are invited to—one in January and the other in February. On February 28th there will be a 24 hour prayer vigil for any of you who are interested. Just call the office for info or to sign up!

On March 2nd we will hold a planning conference where we hope to learn from many of you as you share thoughts. The prayer sessions will prepare us all, and the morning of March 2nd will be a time for ideas to flow. We are thanking God even now for what He will reveal.
