Mission News: Elijah and Angeline Francis (India)

Elijah will be travelling in Egypt during October. He asks for prayer for some of his aging ministry partners - grandparents and great-grandparents - who are experiencing serious health challenges (cancer, Parkinson's, Alzheimer's) or family, financial, or ministry struggles. Give thanks that five students have completed the Galatians course. Pray for others who are enrolled in online, Zoom, or in-person third term classes. Course materials are being translated into various Indian languages to reach more students. Christian educational publishing company Cuatrogen began three years ago to provide translated materials as well as be a sustainable source of income, a true blessing, as receiving foreign funding has become more difficult.
