Missionary News: Tom & Sandy Basile (Mexico)
The Basiles were blessed by the help of a twenty-member team from their main church support. They started digging a new well in La Victoria, gave out water filters, and shared the gospel message. Fifteen people professed faith; Juan and Susy will be following up with Bible studies. Another team will be coming soon to help at Emerald Coast with welding and plumbing. The new contractor is working long hours and quickly with his crew but is very expensive. The outside of the building is nearly done. Tom will be consulting with him about how much more can be done within the budget.

Send prayer requests & updates to Sandy Arn at
