

General Information

Discipline:

- We believe in handling discipline matters in a positive, encouraging manner to help bring out the best in every child.
- We will be fair, firm, and loving in dealing with each child.
- If a problem persists, we will discuss different alternatives with you and make a plan on how to best help your child.

Special Events*:

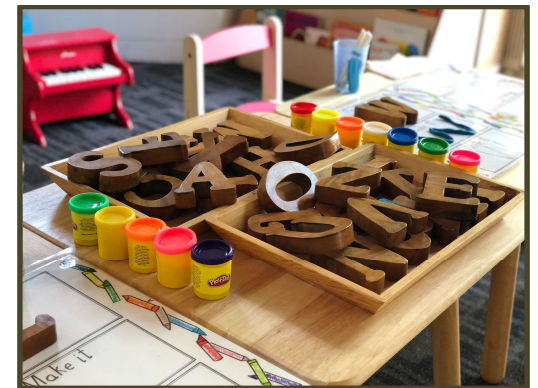

- When we go on fieldtrips we use the church bus or vans and have a driver with a CDL license.
- Our Preschool emphasizes the Christian message. Therefore, we do not participate in Halloween activities. At Christmas and Easter we focus on the Biblical message. We will not use Santa Claus or the Easter Bunny.
- At Christmas each class will share a Christmas Program with their families.
- At the end of the year we celebrate the children's achievements at a 3's Spring Program and 4's Graduation Ceremony. A final Goodbye BBQ for both classes concludes the school year.

Welcome to Calvary Community Preschool

Calvary Community Preschool is a ministry of Calvary Community Church. We ascribe to the tenants of faith of our church. We believe in Jesus Christ as the son of God and the Bible as the inspired Word of God.

The purpose of this preschool is to provide a loving, Christian environment in which children can learn skills that will prepare them for their future educational experiences.

Our preschool curriculum includes pre-reading and math skills (letters, numbers, shapes, and colors), pre-writing skills, learning about God's wonders (science), music, fieldtrips, and learning how to interact with others in a positive, loving way. We are an active partner of the L.E.E.P Program (Longview's Early Education Partnership) in which we participate in many professional development trainings and receive valuable materials to align and prepare our students for their future. You are always welcome to visit our classrooms at any time. If you feel the need for a conference please make an appointment with your child's teacher or the director.

Back to School Meet & Greet

A few days before school starts, you and your child will be invited to come and meet the teacher, aide and director and become familiar with their classroom.

Fieldtrips

Several fieldtrips are planned throughout the year. Parents may join us on our adventures following a background check.

Snacks

At the beginning of each month your child's teacher will assign a snack to your child. Each parent is asked to purchase the item and return it to school the following school day or date listed.

Birthdays

Your child's teacher will give you the option of providing snack on, or around, your child's birthday so that your child can share their special day with their Preschool friends. All snacks must be commercially prepared.
