Mission News: Tom & Sandy Basile (Mexico)

God has provided an unexpected blessing. The highway in front of the seminary was recently repaved. Thirteen truckloads of the ripped-up asphalt was given to the seminary for their roads and parking lot. After reheating the asphalt and adding new tar, the pavers steamrolled it. Students arrived and settled into bedrooms without mosquito screens, no electricity, and only one working toilet. They assisted in putting together bunk beds that had been built. During their first week they not only began their Spiritual Life class but also helped install inside doors, make window screens, and finish plumbing (toilets and showers). Pray for these young men who are nervous and homesick.
