Women's Ministries of Calvary Community Church

WOW Bible Studies: (Women Of the Word) All women are invited to attend one of our Bible studies September - May. These studies give women an opportunity to build relationships and grow in their knowledge of Christ. If needed, childcare can be arranged.

Quilting Retreats: If you like to sew and make friends, this is an activity for you! Every October & April, Women's Ministries host a two-day Quilting Retreat on Friday- Saturday. Just like an old-fashioned Quilting Bee, experienced ladies teach beginners. As you piece your quilt together, you will also be piecing together new friendships.

Special Events: Several times during the year, there are Fellowship Events such as the Victorian Christmas Bazaar, Christmas Ornament Exchange and Joyful Journey of Homes. Watch the bulletin for more information.

Women's Get-Away Weekend Retreat: This is a weekend in March filled with fellowship, fun and growing closer to Christ. Friday evening - Sunday morning is spent playing and worshipping together at the beautiful Cannon Beach Conference Center located on the Oregon coast. Join us for an unforgettable weekend!

Widow Secret Pals: If you love to send cards of encouragement, this ministry is for you! Each February, women select a widow to encourage from a list of Calvary women and send them a card of encouragement each month. This ministry culminates with a special lunch in February where the secret pal is revealed.

Spring Tea: Each May, women ages 5 to 100 are invited to attend the Spring Tea. Ladies volunteer to decorate their tables with their fine china or a fun theme. It is an enjoyable evening of fellowship with the women of the church.

Ladies Night Out: Come share in a night of fun and laughter with your sisters in Christ. Ladies Night Out events are social gatherings to build relationships.

BYKOTA (Be Ye Kind One To Another): Like Martha from the Bible, the BYKOTA Missionary Guild is made up of women who love to serve others. This group's special ministry is to oversee wedding and funeral receptions as well as other church dinners.

Dorcas: Like Dorcas from the Bible, these women use their love of quilting to bless others. This group meets each Tuesday (September - May) from 10 am - 2 pm to fellowship while making quilts for those in need.
