#### **NOTES TO ALL:**

- Yes, we have pens at church, but if you have your own, less sharing, less spreading. Same with Bibles, chairs, hot dog roasters, etc.
- We will use the Moving=Masking motto that our schools are using. Meaning, anytime we are moving around and not seated 6 feet apart, we must have a mask.
- We will be following some new precautions and adhering to some new guidelines--we must if we want to remain open and be able to have youth! Please work with us, cooperate, and be flexible!
- We will only be meeting on Wednesday nights for right now.
- We will update each month or as often as needed with CDC guidelines/changes.
- **I HAVE MISSED YOU ALL AND AM SO VERY EXCITED TO BE BACK WITH YOU!**
